Weekend Lane Closure on Northbound I-55

CHICAGO – The Illinois Department of Transportation announced that a weekend lane closure will take place on northbound Interstate 55 between Weber Road and Willow Springs Road, beginning, weather permitting, Friday, Aug 4.

Starting at 9 p.m. Friday, the left lane of northbound I-55 will be closed between I-355 and County Line Road until 5 a.m. Monday, Aug. 7. Additional lane closures also will be necessary during nighttime hours.

The closures are part of a larger project to improve Interstate 55 between Weber Road and Willow Springs Road in Bolingbrook, Woodridge, Romeoville, Darien, Burr Ridge and Willowbrook. The scope of the project includes resurfacing, roadway patching, bridge deck repairs, drainage improvements and traffic management upgrades.

The overall project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
